MASSIVE MULTIPLIERS ENHANCE YOUR WINS

Become the king of multipliers as each cascade increases your base game winning potential. Fire balls and spheres of lightning can magically increase the multipliers adding up to x500 to your current multiplier.

Jump into free games where the multipliers don't reset until the end of the feature. Fireballs and magical spheres are more frequent increasing the win potential the longer the session is played.

Activate Extra Bet mode for feature-rich gameplay with more magical spheres and more scatters on the reels.
