MINE-A-LICIOUS™

SET OFF THE EXCITEMENT!

Are you ready to embark on this thrilling journey, where every choice could lead you to a glorious victory? Reveal Diamonds to keep the journey alive and increase your winnings. Use Bank It to preserve some winnings as the potential and excitement increases.

Select the number of hidden mines and then flip tiles to reveal diamonds that award prizes. Utilise the Bank It feature at any time to protect winnings. Reveal a GOLD diamond for a jackpot chance. Game ends when collect is pressed or a Mine is revealed.

JACKPOT

Starts at \$10,000 and is won by aligning 3 gold diamond in the jackpot spin.

GAME FEATURES

- **Bank It:** This feature allows players to collect their winnings mid-game, providing a strategic option to preserve some of their gains as the stakes rise, reducing risk while maintaining the thrill of the game.
- **Jackpot:** Spotting a Gold Diamond on the screen triggers a spin to compete for the top-level progressive jackpot, adding an extra layer of excitement and the chance for a huge win.

CONFIGURATIONS

Gameplay is available in 3 different modes; 3x3, 4x4 and 5x5 arrays.
