

WOLF & CROWN™

Unleash the thrill of the hunt in Wolf & Crown, a classic 20-line slot packed with symbols of wealth, electrifying features, and heart-pounding jackpot potential.

Blue wolves prowl the reels and may ignite into red fire wolves—and when five of those blazing beasts scatter into view, the progressive jackpot is awarded. Line up five WILDs on a payline and you seize the mighty GRAND fixed bonus.

FREE SPINS

The excitement surges even higher when lucky horseshoes trigger the fan-favourite Free Spins feature, awarding 15 free games with a 3x multiplier on every winning combination. That multiplier stacks beautifully with the game's generous line pays, turning every spin into a potential windfall.

With the powerful Wolf leading the progressive charge and the riches of the Crown gleaming on every reel doubling the line pays, Wolf & Crown delivers knockout action, majestic visuals, and the kind of adrenaline-fuelled gameplay players return to again and again.
