

GOLD TRIO: LIL' DEMON™

FLARE UP A FIERY FIESTA IN GOLD TRIO: LIL' DEMON™!

The three coloured pots can trigger respins and correspond to coins with unique abilities – red multiplies prizes, green accumulates prizes, and blue boosts prizes. The mischievous Lil' Demon can throw coloured coins onto the reels or fire symbols at the wheel to increase its inferno; the larger the wheel's flames or pile of gold within a pot, the more likely you are to trigger its feature. During respins, landing coloured coins activates their special abilities, and any new coin resets the number of respins to three!
