COLLECTORBS: WILD WEST WILDS™ THE NEXT GENERATION OF COLLECT STYLE PLAY

Introducing a New Generation of Perceived Persistency featuring real collecting without any true persistent mechanics - RTP is never compromised or enhanced based on items collected.

Progress in every spin - Orbs drop in, meters climb, and special symbols matter - Orbs can carry coin prizes, Free Games, or jackpot boosts, and a Collect symbol scoops them up. When Orbs aren't scooped immediately - pots climb in both base game and Free Games. Collect Orbs are added to the progress bar

Three simple power-ups, unlocked with collects. Each reel pair builds toward a special feature: Respin, Match, or Expand. Hit the threshold and that power-up fires—Respin gives fresh chances, Expand floods reels with Orbs, and Match upgrades coin values across the screen. In Free Games, it gets even friendlier: fewer collects activate these and, once lit, they stay on for the rest of the bonus and can trigger simultaneously.

Nothing goes to waste! Every Orb helps and players can change their bet and keep their progress.
