Requests received after this deadline may not be accepted, at Playtech's discretion, due to operational, technical, regulatory and configuration requirements.
2. By submitting a request to participate in the Promotion, the Licensee acknowledges that it has reviewed and agrees to be bound by these Terms, which shall form part of and supplement the License Agreement.

  - a. Displaying at least one Promotion banner on the casino website and/or promotions page across desktop and mobile.

### 3. Leaderboard Promotion

1. To take part in the **Promotion**, the player must open a participating game and “Join” to opt into the Promotion.
2. The **Promotion** may consist of one or more leaderboard cycles forming part of a single campaign. A player is only required to opt in once to participate in each leaderboard cycle in the Promotion. By opting in, the player acknowledges and agrees that participation may extend to all leaderboard cycles forming part of the same Promotion, as described on the Promotion page and/or campaign microsite.
3. Participation in the Promotion is specific to the player's account with the relevant participating Licensee. Gameplay, points, rankings and eligibility earned through one participating Licensee cannot be combined with gameplay, points, rankings or eligibility earned through any other participating Licensee.
4. Playtech reserves the right to require a separate opt-in where a future leaderboard cycle introduces materially different mechanics, eligibility criteria or participation requirements.
1. A minimum bet of \$0.20 is required. Bets below this amount will be excluded from the **Promotion**.
2. After joining each leaderboard, the player will be able to play up to 10,000 spins that will count for points earning purposes.
3. If a player leaves a leaderboard and rejoins, they will lose their earned points total and will not be allowed any extra spins towards the Promotion.
4. Results for each leaderboard will be available to players approximately 15 minutes after the leaderboard finishes.
5. Leaderboard positions are updated approximately every 5 minutes. During this time, player rankings may temporarily differ across participating sites. Final leaderboard standings will be determined based on the last synchronisation at the end of the Promotion Duration
6. Each leaderboard will accumulate all points earned by the player during the Promotion Duration. The player's final points total will reflect the sum of all points earned.
7. In the event of a tie-on points, the player who has the most remaining events available will be considered the higher-ranking player. If players are tied on both points and events, then whoever achieved their score first will be considered the higher-ranking player.
8. Points will be awarded based on the win-to-bet ratio of each individual spin, multiplied by 100. For example:
  - Player bets \$2 and wins \$10
    - $(10 / 2) \times 100 = 500$  Points
  - Player bets \$10 and wins \$15
    - $(15 / 10) \times 100 = 150$  Points

5. The maximum number of points that can be awarded for any single spin or feature outcome is fifty thousand (50,000) points.
9. For the purposes of this Promotion, "Feature Buy" means a paid in-game purchase that grants entry to a feature round. Where a Feature Buy is used, the full purchase cost is treated as a single bet for calculating the win-to-bet multiplier and awarding points. All winnings generated from the purchased feature round(s) count toward the player's points, and the Per-Spin Points Cap applies. Where a Feature is triggered organically (not purchased), only the triggering bet amount will be used.
10. To be eligible for a ranked prize, a player must have accumulated at least one hundred (100) points and placed within the prize-winning positions of the relevant leaderboard. For the avoidance of doubt, achievement of 100 points does not guarantee a prize; the player must also place within the paid ranks.
11. Only game rounds played on the Eligible Games shall be eligible for point accumulation ("**Eligible Games**"). Playtech may, at its discretion, update the Eligible Games list from time to time, including by adding, removing or replacing participating titles. The most up-to-date Eligible Games list will be maintained on the Lucky Rush Promotion page and/or campaign microsite. Playtech will use reasonable efforts to notify participating Licensees of material updates in advance.
12. At Playtech's discretion, a Licensee may use a branded version of an Eligible Game in place of the corresponding non-branded version.
13. Playtech and/or the Licensee may, from time to time, run special promotional events during the Promotion Period, including enhanced point multipliers, bonus point opportunities, increased prize pools, additional prizes, revised prize structures, or other promotional activations. Details of any such events, including the applicable dates, scope and any revised prize structure, will be communicated through the Promotion page and/or other promotional materials and shall form part of the Promotion.
14. Should **You** require **Playtech** to exclude certain players from the **Promotion**, You must provide the relevant criteria when requesting participation. Playtech may not be able to accommodate exclusion requests received after participation has been confirmed.
15. It is hereby clarified that points may only be issued via the Terms in the network leaderboard in this Promotion. Any points found to have been issued from any other source will be invalidated and may lead to the **Licensee's** disqualification from the Promotion at **Playtech's** sole discretion which would lead to no refund of prizes by **Playtech**, and the **Licensees** will be liable for any prizes paid to players.

#### 4. Key Dates & Payouts

1. The **Promotion** will run from 23 December 2026 to 05 January 2027 and consists of two (2) consecutive leaderboard cycles.
2. Each leaderboard runs from 00:00 to 23:59 EST.
3. The total estimated prize fund available throughout the Promotion is 100,000 USD.
4. Details of each leaderboard cycle, including applicable dates, prize pools, prize structures and number of winners, will be published on the Lucky Rush Promotion page and/or campaign microsite.
5. Playtech may update such operational details from time to time for operational, regulatory, or commercial reasons, provided that any such update will not adversely affect players who have already participated in an ongoing or completed leaderboard cycle.

#### 5. Exclusions and Cancellation

1. Only players located in Pennsylvania, New Jersey, Michigan, and West Virginia, USA, are eligible to participate.
2. In the event a player wins a prize and subsequently self excludes or similarly restricts their account, the **Licensee** must still pay the player unless there is a regulatory or other reason why this cannot be done.

3. Playtech, in its capacity as network promotion supplier, reserves the right to require the disqualification of players where it reasonably suspects collusion or other abusive strategies. Players must comply with the eligibility requirements of these Terms. Where Playtech reasonably determines that a player is ineligible, the relevant Licensee shall be instructed to withhold any prize.
  - If a top prize (of the top 3 ranks) cannot be credited, a roll-down mechanism will apply to ensure prizes are awarded within the same campaign. The next eligible player in the leaderboard ranking will receive the prize. For lower-tier prizes or cases where roll-down is not practical, unused funds will be reallocated towards future Lucky Rush promotions.
  - **Bonus Expiry Enforcement & Audit:**  
Licensees must enforce bonus expiry periods in accordance with their local terms. Records of unclaimed or expired bonus funds must be retained for audit purposes. Any reallocation of unclaimed promotional funds outside of future Lucky Rush promotions must be approved by Playtech and may require consultation with the Michigan Department of Treasury.
4. Playtech, in its capacity as promotion supplier, reserves the right to amend or cancel this Promotion or amend these Terms: (i) without notice if the change or cancellation is a result of any legal or regulatory change; or (ii) for any other valid reason by giving You notice in advance of the change, provided that such change or amendment shall not have a detrimental effect on players that have already participated in the leaderboard pursuant to this Promotion.
