OINK OINK OINK™ WELCOME TO OINK TOWN!

This 243 WAYS slot features 3 pigs - each offering a unique feature.

There are two ways to trigger each of the three features. Firstly, when a green, blue or red coin lands, it is deposited in the matching pig. With every deposit, there's a chance the PIG will burst open and award a feature.

Secondly, when three scattered Hammers land, a random feature trigger is guaranteed. Oink Oink Oink™ is going to be a crowd-pleaser with a high frequency feature hit rate, a rich base game and lots of features to spice up the fun.

JACKPOT: Four fixed In-game Jackpots
